PROFESSIONAL EXPERIENCE

Web Developer Intern

JK Innovative Pvt Limited

Amravati, Maharashtra | July 2022 – October 2022

- Collaborated in a team with Three member to develop and enhance a full-stack web application designed front-end interfaces using HTML, CSS, and JavaScript.
- Integrated back-end functionalities and managed database operations.

PROJECTS

E-Commerce Website (First Collection) [Live Demo](#)

- Developed a fully-functional E-Commerce website using React.JS, Tailwind CSS, Material UI, AOS and local storage and Session storage for secure authentication and user session management.
- Implemented product filtering for optimized user experience and enhanced UI/UX with React Bootstrap for responsiveness and interactivity.
- Utilized React Router and Hooks for seamless navigation and state management, and deployed the project using Git and GitHub Pages for live hosting.

Personal Portfolio Website [Live Demo](#)

- Developed a responsive React.js portfolio using Tailwind CSS, React Bootstrap, Material UI, Styled Components, Framer Motion, and AOS for the dynamic animations, modern UI/UX, and seamless navigation with React Hooks and state management.
- Integrated Email.JS for direct contact functionality, used Git for version control, and deployed via GitHub Pages for live accessibility and easy maintenance.
